The Rokita Report

Office of Indiana Secretary of State Todd Rokita

From the desk of Secretary Rokita

As Election Day nears, I would like to take this final opportunity as your chief election official to encourage you to do your part to protect our Republic and vote on Nov. 2. Also, I want to remind you of the rules and tools you should be aware of before casting your vote.

One tool available at your finger tips, literally, is www.IndianaVoters.com. The website serves as a one-stop shop for information regarding Election Day and your voting information. For example, you can find the location of your polling place, view the candidates who will appear on your ballot, research campaign finance data, track the status of your absentee ballot, as well as register and update your voter information through the website. Already, more than 45,000 people have visited www.IndianaVoters.com since the beginning of October.

Other resources available to you on or before Election Day are the Hoosier Voter Hotline and the [Election Division's website](#). By calling the toll free Hoosier Voter Hotline, at 866-IN-1-VOTE, voters will be able to talk directly to a representative who can answer their final questions before placing their vote. Staff will be on hand to answer calls from 6 a.m. to 7 p.m. EDT on Election Day and from 8 a.m. to 5 p.m. EDT on normal business days. Additionally, you can visit the [Indiana Election Division's website](#) for answers to your questions, including information regarding [Indiana's photo ID law](#).

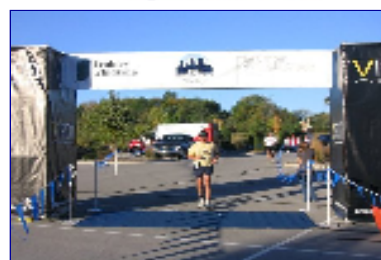

[Indiana's photo ID law](#) requires every voter to present a government-issued ID before casting their vote at the polls.

Additionally, you have the option to vote absentee-in-person at the office of your county clerk or a satellite absentee voting location.

By law, absentee voting must remain available to Hoosier voters until Noon, Monday Nov. 1. To date, more than 79,000 voters have exercised their right to vote in this manner.

Now you know the rules and the tools before casting your ballot on Nov. 2. I encourage you to get out and voice your choice on Nov. 2.
